KnowledgeNet Desktop
Online services and resources are provided via the libraries’ website, KnowledgeNet. The site has an extensive range of library materials and alerting services, as well as links to full-text journals and other accredited websites.

Online forms are available to make information and document requests and books can be reserved and renewed via the site.
Website access also extends to outside the Ashford and St Peter’s Trust.

KnowledgeNet Mobile
You can also access a ‘mobile’ version of KnowledgeNet via any smartphone or tablet device. This site delivers the most popular features of the main KnowledgeNet site and includes external links to ‘mobile-specific’ websites and medical web apps.

You can also link to this site by scanning the QR code (below), using any smartphone camera and a barcode scanning app (freely downloadable from your relevant app store).
